LIMITED WARRANTY

Image Components, Inc. products are warranted to be free from manufacturing defects for a period of one year from the date of delivery. The Buyer's remedy for a breach of this warranty is the limited replacement of or credit for the defective product. Any expenses for the installation, removal or reinstallation of any defective product are excluded from this warranty.

This warranty is the only warranty made by Image Components, Inc. and is in lieu of all other warranties, express or implied, which are hereby disclaimed and excluded by Image Components, Inc., including without limitation any warranty of merchantability or fitness for a particular purpose or use.

In no event shall Image Components, Inc. liability of any kind include any special, indirect, incidental, punitive or consequential damages, even if Image Components, Inc. shall have been advised of the possibility of such potential loss or damage.

This warranty does not apply if the products:

- 1) are used for purposes other than their intended purposes.
- 2) are not installed in a good and workmanlike manner consistent with industry standards.
- 3) have been improperly installed according to the latest installation instructions published by Image Components, Inc.
- 4) fail due to defects in the engineering, design or installation of the system in which they are used.
- 5) fail due to contact with incompatible materials.
- 6) fail due to the freezing of liquid inside the products.

If Buyer/End User receives any products that appear to be defective, Buyer/End User may return such products prepaid to:

Image Components, Inc
2502 Edgemont Street
Philadelphia, PA 19125

Returned products must be accompanied by a letter describing the defect. After examination, if the product is determined to be defective in materials and workmanship, Image Components, Inc., at its sole option, may either repair or replace the defective product or reimburse the Buyer/End User for the original cost of such product.

Products returned for other reasons must be returned to the place of purchase. Returns to Image Components are subject to a 20% restocking fee and credit is based on original sale price less shipping/handling.

Warning: Products manufactured by Image Components, Inc. are not to be used with or tested with compressed air or gases
